

Certificate of Achievement Graphic & Multimedia Design

The Certificate of Achievement in Graphic and Multimedia Design develops students' creative and technical skills by providing hands-on training in current technologies. The two-year program prepares students for employment in the fields of graphic design for web, social media, user interface, motion, and illustration, as well as digital photography, art direction, video production and game design.

SLO: Demonstrate proficiency in the core skills and knowledge required for employment in a graphic and multimedia design position.
